

**Tee Booking System
Largs Golf Club
2019**

For 2019, the visitor and casual Tee Booking system at Largs Golf Club will be changing. We will stop using the BRS Tee Booking system and start using ClubV1.

Background

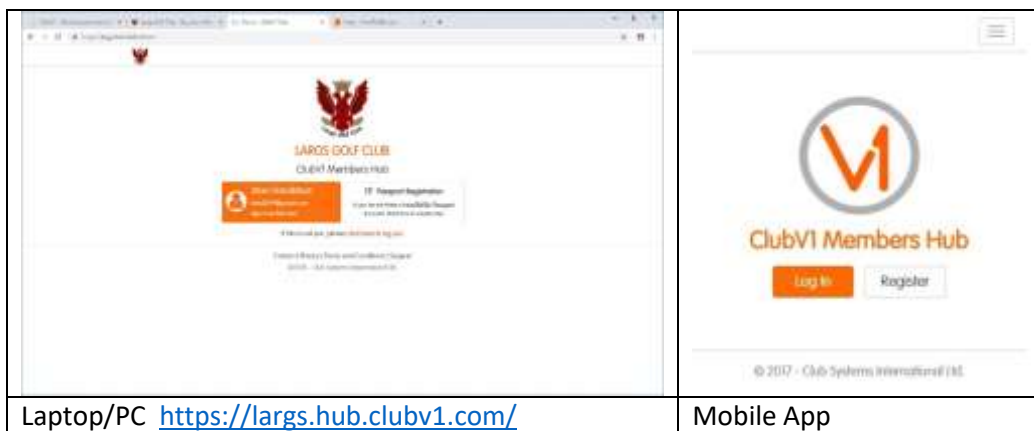

ClubV1 is a well designed system that provides the functionality the club requires. It will result in greater efficiency in the management of casual and visitor booking, competitions and clubhouse bookings by integrating all in a single system. It should also improve the club's ability to market un-used tee times on competition days.

What you need to do.

1. If you don't already have the ClubV1 App on your mobile device, download and install it from the Google Play store or the Apple App Store. It's free!

OR

if you are using a laptop or PC, browse to <https://largs.hub.clubv1.com/>

2. If you don't already have a "HowDidIDo Passport Account" click on the "registration" link to set one up. Follow the steps through to create your passport account.

3. Login to ClubV1 Members Hub via the mobile App OR on a laptop/PC at <https://largs.hub.clubv1.com/>

4. Book your tee time by selecting the "Booking" option from the menu and following the on-line instructions
